# Technical Datasheet

IR Remote control

Art.no.: 52801, 52802, 52803

IR Remote control

- Light control
- Blinds/shutter control
- Temperature control
- ECO / reset button

IR Remote control is an accessory for the 2Sense, 4Sense and 5Sense sensors for the KNX MultiController.

Technical data

		IR Remote control
		5280x
Power	• Operating voltage	CR2032 Battery (included)
	• Transmission distance	7 – 12 m
Temperature range	• Operation	15 °C … +35 °C
	• Storage	-25 °C … +65 °C
	• Transport	-25 °C … +65 °C
Housing	• ABS	
Design	• Dimensions	12.8 mm x 4.5 mm x 1.3 mm
Approvals CE mark	• RoHS Compliant	

Distributor:
